

Providing Health & Wellbeing Solutions

THE GREAT SOUTHERN REGION A Snapshot of our Programs & Services

We are a not-for-profit organisation providing the following programs and services to help adults, children and families living in the **Great Southern** region.

Allied Health Services

Our team of allied health professionals include:

- Diabetes Educators
- Dietitians
- Mental Health clinicians
- Occupational Therapists (Albany based)
- Psychologist (Albany & Denmark)
- Speech Pathologists (Albany based)

There is a fee component and you have the option to self-refer or see your GP or other health practitioner for referral. **We are also a registered NDIS provider.**

Funded Health Programs

Our funded programs require a referral from your GP or allied health practitioner. Please check with your GP to discuss your eligibility. These programs include:

- Integrated Primary Mental Health Care
- Integrated Chronic Disease Care
- Integrated Team Care (Aboriginal Health)
- Aboriginal Health
- Primary Mental Health Care in Residential Aged Care Facilities
- The care finder program

Visiting Specialist Health Services

We have a range of visiting specialists who frequent our clinic rooms in Albany. Some of these specialists include audiology, cardiology, podiatry and rheumatology.

Each specialist has their own fee structure and billing arrangements.

For a full list of our visiting specialists please visit our website at www.amityhealth.com.au/visiting-specialists

Funded Community Programs

- Aboriginal & Torres Strait Islander Mental Health Wellbeing & Resiliency - a weekly support program for Aboriginal communities in Gnowangerup, Mount Barker and Tambellup.
- Communities for Children - funding and support to community partners in the Great Southern to deliver programs for children and their families to support their health, well-being and community connections.

Amity Health is a registered NDIS provider.
